

# HASSAN AL MARZOUQI

Technical Analysis Expert  
in Global Markets

## PROFILE:

I have 11 years of experience in the field of advanced technical analysis in the markets of trading gold, currencies, indices, oil, cryptocurrencies, risk management, managing trader behaviors and auditing trading operations. I can perform well in my fields, and I assure to uphold quality standards, policies and procedures. Looking for an interesting work environment where I can gain new knowledge in different fields and enhance my experience as well as participating in achieving the organization's established goals and visions.
